

Devotion for Families with children

Talk about it:

- What was the funest thing your family has ever done together?
- Would it have been as fun without each other?

God loves us and want to spend time with you too. Spending time with God will not only make Him happy; we will enjoy it too. Happiness is found in getting to know God a little bit better every day.

The Apostle Paul discovered that. He says in *Philippians 3:10*:

“I want to know Christ ...”

There is a difference in knowing *about* someone and knowing someone.

You may know about someone you see on TV ... but do you really know them?

You don't get to know God by accident. You have to do it ON PURPOSE!

To get to know Jesus, you've got to spend time with Him.

Talk about these questions together:

- What is something you do every day for at least 5 minutes?
- Is it more important than spending time with God?
- Could you commit to spending time with God? How about just 5 minutes a day 5 days a week reading a Bible story and praying together?
